Education

Ph. D. Anthropology, 2019 (expected) – Purdue University, West Lafayette, Indiana
M.S. Anthropology, 2015 - Purdue University, West Lafayette, Indiana
Traveling Scholar, Anthropology, 2014 – Indiana University, Bloomington, Indiana
BA Biological Anthropology and Anatomy, 2010 – Duke University, Durham, North Carolina
Minors: Environmental Sciences and Policy, Global Health

Awards and Distinctions

2017 NSF Doctoral Dissertation Research Improvement Grant (DDRIG), National Science Foundation
2017 PCI Research Grant, Primate Conservation, Inc.
2017 Andrews Environmental Travel Grant, Purdue University
2016 Promise Award, Purdue University
2016 Global Synergy Award, Purdue University
2016 Purdue Research Fund, Purdue University
2016 Promise Award, Purdue University
2015 NSF Graduate Research Fellowship, National Science Foundation
2014 Pre-doctoral Fellowship, Ford Foundation – Honorable Mention
2014 Anthropology Summer Research Award, Purdue University
2013 Ross Fellowship, Purdue University

Relevant Research and Work Experience

2018 *Purdue University, Department of Anthropology, Dzanga Sangha Protected Areas, Central African Republic*
-2017 Doctoral dissertation research; April 2017 – August 2018 (15 months)

2017 *Radio Ndjoku, Dzanga Sangha Protected Areas, Central African Republic*
Active participant in helping organize community health radio programming

2016 *Purdue University, Department of Anthropology, Dzanga Sangha Protected Areas, Central African Republic*
Pilot research trip to dissertation field site; June 2016 (1 month)

2016 *Purdue University, Department of Anthropology, West Lafayette, IN*
-2015 Graduate Research Assistantship; March 2015-August 2016 (18 months)
Anthropology/Mechanical Engineering collaborative ethnographic research on compassionate design

2014 *Purdue University, Department of Anthropology, West Lafayette, IN*
Graduate Teaching Assistantship; August -December (5 months)
Anthropology 204: Introduction to Biological Anthropology

2014 *Purdue University, Department of Anthropology, Korup National Park, Cameroon*
M.S. Research data collection; May-August (3 months)

Wild chimpanzee (*Pan troglodytes eliotti*) health and ecology in a fragmented forest

- 2013 *Dian Fossey Gorilla Fund International*, Emory University, Atlanta, Georgia
Parasite analyst and research assistant in Gillespie parasitology lab; April -July (4 months)
- 2013 *Emory University, Department of Environmental Sciences*, Emory University, Atlanta, Georgia
Parasite analyst in Gillespie parasitology lab; February -April (3 months)
- 2012 *Wildlife Conservation Society – Congo*, ouabalé-Ndoki National Park, Republic of Congo
Research assistant; January -December (12 months)
Wildlife health monitor, developer of gorilla visual health observation and human health protocol
- 2011 *Tulane University, Department of Anthropology*, Santa Rosa National Park, Costa Rica
Research assistant; January -August (8 months)
Behavioral and hormonal analyst of habituated capuchin monkeys
- 2009 *University of North Carolina, Carolina for Kibera*, Kibera, Kenya
Project Coordinator; May -August (3 months)
Intern for environmental health program

Scientific presentations and contributions

- 2016 **International Primatological Society/American Society of Primatologists Conference** poster presentation: *Preliminary Analysis of Hunting Pressure and the Ecology and Health of Wild Chimpanzees in Korup National Park, Cameroon*; Chicago, IL, USA
- 2012 **WCS Health and Safety Protocol** to minimize interspecies disease transmission between humans and nonhuman apes; Nouabalé-Ndoki National Park, Republic of Congo
- 2012 **WCS Visual Health Observation Protocol** to noninvasively monitor health trends in western lowland gorillas (*Gorilla gorilla gorilla*); Nouabalé-Ndoki National Park, Republic of Congo

Organizational affiliations and community outreach

- 2017-present Radio Ndjoku, Bayanga, Central African Republic
- 2016-present American Association of University Women Younger Women's Task Force, Lafayette, IN
- 2015-present One Health Club, Purdue University
- 2014-present American Association of Physical Anthropologists
- 2014-present Women in Science Programs, Purdue University
- 2013-present Anthropology Graduate Student Organization, Purdue University
- 2013-2016 United Way *Read to Succeed* classroom volunteer, Lafayette, IN
